## UNMUTED BOOK LAUNCH AT THE ROOSEVELT

Events

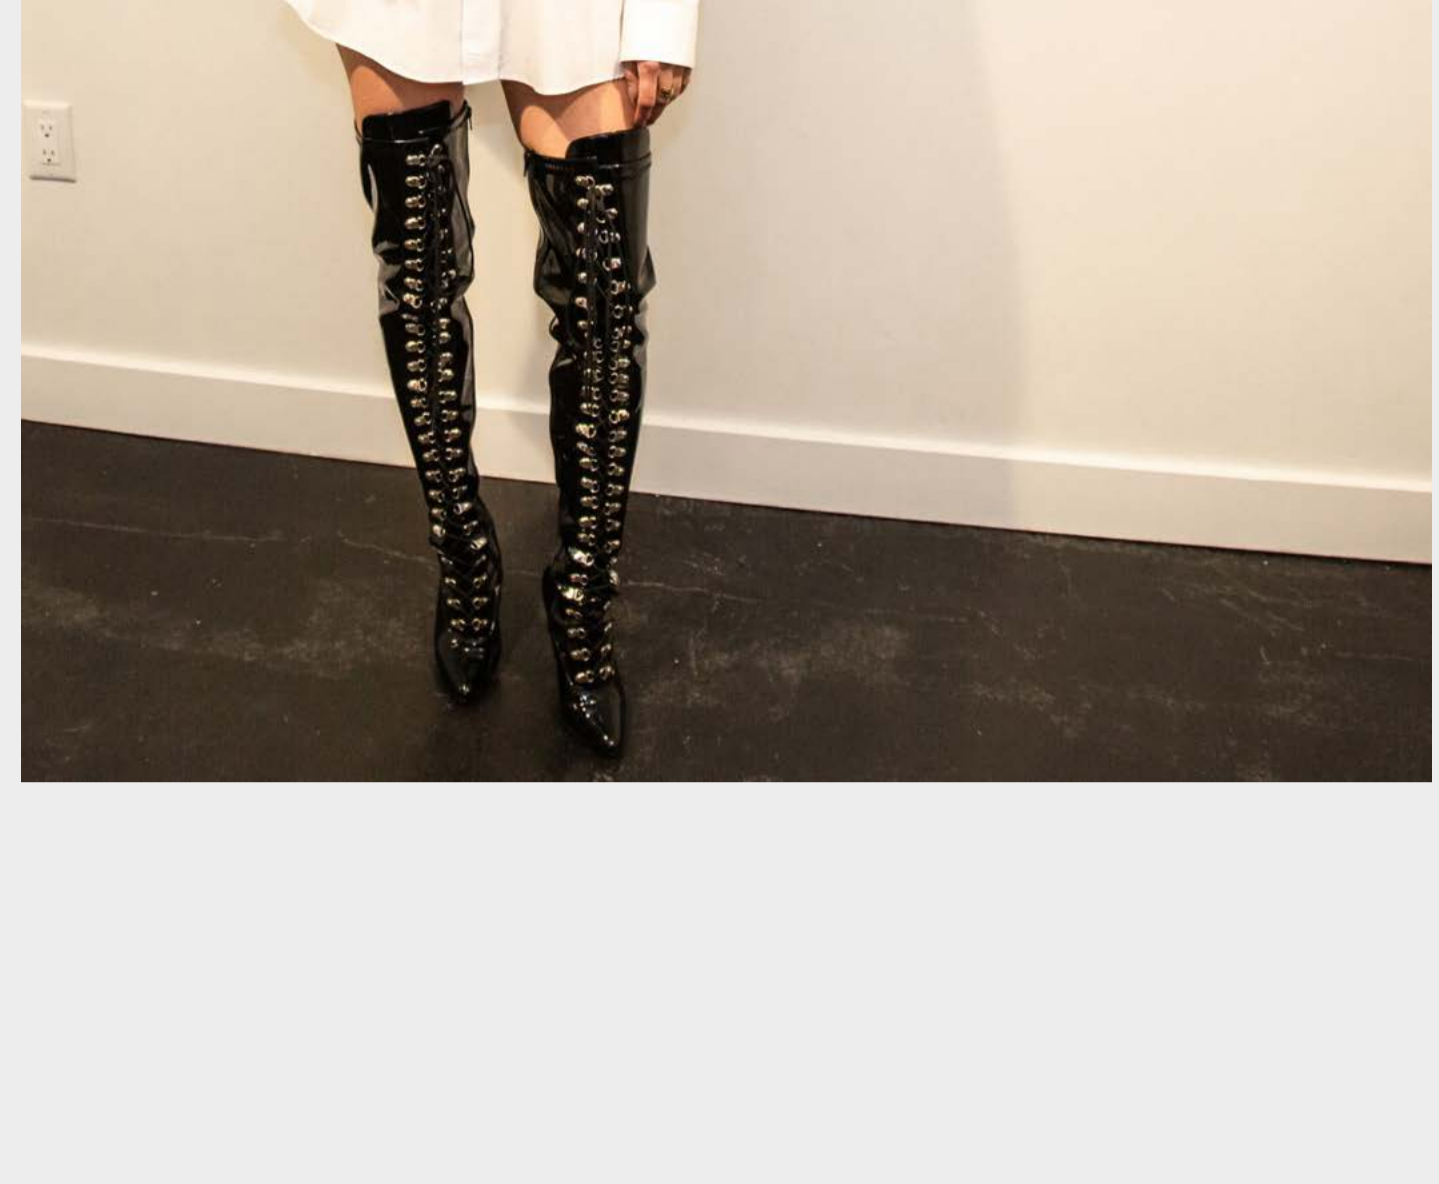

DANNY PUENTES AND NEDDA AFSARI

LA based photographer and creative director Nedda Afsari celebrated the launch of her first book *Unmuted* with a party at The Roosevelt Hotel rooftop suite in Hollywood hosted by Lethal Amounts. The fête featured a performance by Louisiana Purchase as well as DJ sets by Andrew Clinco (Drab Majesty/VR Sex), Robert Alfons (TR/ST), VOWWS and Brian Tarney (VR Sex, Restless Nites).

*Unmuted* has an array of images from 2014 to 2019, many featuring Nedda's friends and artists. Her work is a dialogue with the viewer about themes of desire and sensuality through subversive subject matter and the dynamics of power and the divine feminine. Much more than merely 'fetish photography', Nedda's subjects display a fascinating mix of confidence and vulnerability. Previously, Nedda exhibited her work at the Lethal Amounts gallery in 2018.
